BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

(1)

No 858

Letter No.5964 dated the 9th July 1919 from the Superintending Engineer, Southern Circle.

Submitted to the Second Member of Council for favour of perusal and orders with reference to his orders dated the 14th May 1919 on this office note No.D.587 dated the 12th idem-

2. So far as the present requirements of the P. W. D. are concerned, I do not consider that the presence of a Government officer in England as an intermediary to the Firm is necessary-

3. As, however, Mr.Bhore's letter covers a much larger ground, viz., to facilitate the business of other Departments, to act as a Bureau of Information for the State, and to be an official guardian to Mysore students,- perhaps also of Mysore tourists,- the papers may, if approved, be transferred to the General Secretariat for consideration on these points.

9) The file re Terrenia Exploration Co has been separately subd with a D.F.N. The proposal now to be considered is whether a permanent Representative of the Mysore State in London is necessary to serve (1) as ~~a Secretary Information and~~ an Intelligence Officer and (2) as Official Guardian of the Mysore Students abroad

10) The first function will ~~be to~~ render him ~~not unlike~~ undistinguishable from a Charge d'affaires or Consular agent and the permission of the Supreme Govt will have to be applied for in the first instance, before the question is further Considered.

11) As regards the 2nd function, it is now discharged on our behalf by the Educational Advisor appointed by the India Office ~~No doubt a~~ No permanent deputation of an officer for this purpose in London would appear to be a luxury, ~~at present~~ at the least. The Secy to Govt may also be consulted as regards this

13) As far as I can see there is no necessity to depute an officer either to act as an buying agent or give technical advice regarding purchases and contracts entered into by the Govts and as a matter of fact the students
